ORDER-IN-APPEAL

BRIEF FACTS OF THE CASE :

M/s. Champeshvar Alloys Pvt Ltd., 2, 38 2 310, Damodar Complex, Idar, Sabarkantha, Gujarat-383430 (hereinafter referred to as "the appellant"), holding GST Number 24AAHCC0109Q1ZO has filed appeal against Order-In-Original No. 03/AR-II/HMT/2023-24, dated 30.05.2023 (hereinafter referred to as the "impugned order") passed by the Superintendent, CGST & C.Ex., Range-II, Division- Himmatnagar, Gandhinagar Commissionerate (hereinafter referred to as the "adjudicating authority").

2(i). The facts leading to this case are that the appellant is engaged in manufacturing and supply of MS Ingots and Profile Sheet cutting. The registered person is registered in GST having GST registration no. 24AAHCC0109Q1ZO and administered under Centre jurisdiction. Shri Rajesh Kumar Virsangbhai is one of the director of the firm looking after all the affairs of the registered person firm.

(ii) M/s. Ham Alloys Exim and M/s. Prime Trading Co. were found to be non-existent/ fake invoice supplier firms during investigations conducted by Central GST Commissionerate, Kutch- Gandhidham, it was found that GST registration of said non-existent firm (M/s. Ham Alloys Exim) was acquired through fraudulent manner by uploading bogus documents in the GSTN portal, talking undue benefit of the liberalised, norms of registration allowed by the Government in GST era, where physical verification of newly registered premises was not made mandatory by field officers and registration was granted by only viewing and verifying the uploaded documents online. M/s. Prime Trading Co., was found supplying fake invoices without supply of any goods.

2(iii). An inquiry was carried out by the officers of CGST &C.Ex., Kutch, Gandhidham Commissionerate in respect of M/s. Global Enterprise Gandhidham Kutch, M/s HAM Alloys, its proprietor Shri Mukesh Pitti and other related firms operated by him. They were issuing fake invoices and passing ineligible GST credit to various assesseees of Ahmedabad sector without movement of the goods. In this connection an inquiry was initiated on the appellant i.e. M/s. Champeshvar Alloys Pvt Ltd. (purchaser of goods and availer of ITC) and issued summons on 09.10.2018. Shri Rajesh Kumar

Virsangbhai presented himself in respect of M/s. Champeshvar Alloys Pvt Ltd. During the statement it was informed by Shri Rajesh Kumar Virsangbhai Director of M/s. Champeshvar Alloys Pvt Ltd., that they were obtaining invoices without supply of goods through Shri Yunis bhai who is proprietor of M/s. Prime Trading Company Bhavnagar. He further stated that M/s. Ham Alloys Exim and M/s. Prime Trading Co. Had never conducted any business, never supplied or received any goods in physical or services; however they received / issued goods less invoices to receive / supply fake input tax credit (ITC) in instant case. It was found that the said non-existent / fake invoice supplier firms were involved in only paper trading or the purpose of defrauding the government exchequer by way of passing of irregular and inadmissible Input Tax Credit. Further, it was noted that said non-existent firms had supplied invoices without supply of goods to many firms including the registered persons firm thereby passing fake ITC and the registered person had availed the fake ITC on the strength of the invoices issued by said fake firms. The details of Non-existent/ fake invoices, during the period 2017-18 (from July 2017) and 2018-19 (upto 31.08.2018) are as under:-

2(iv): Shri Rajesh Kumar Virsangbhai Patel told that in consultation with Shri Yuneshbhai (proprietor of M/s. Prime Trading Co.) he decided to procure only bills/ invoices from him. In such transaction Shri Yuneshbhai supplied only bills/invoices showing purchase of MS Scrap or Waste & Scrap or Iron and Steel in name of M/s. Champeshvar Alloys Pvt Ltd. and in return they procured the raw materials actually from nearby or Ahmedabad based scrap traders/suppliers. He further stated that Shri Yuneshbhai only supplied the bills/invoices, they used to first transfer the purchase amount shown in the Bills/Invoices (which were supplied by Shri Yunushbhai, without actual transfer or supply of materials) in the bank Accounts of Shri Yunushbhai of the bank accounts suggested by Shri Yunushbhai. He further stated that on basis of the supplied fake bills they availed the GST ITC fraudulently in their ITC

ledger. Shri Rajesh Kumar Virsangbhai Patel further stated that after deducting his commission or charge Shri Yunushbhai returned the amount in cash or through Havala or they instructed him to give the amount to other suppliers from whom they actually procured the raw materials. He further stated that on their demand Shri Yunushbhai had supply only bills/invoices from M/s. Ham Alloys Exim, Gandhidham and also from his own firm M/s. Prime Trading Co. during the year 2017-18 (from July 2017) and 2018-19 (upto 31.08.2018). Shri Rajesh Kumar Virsangbhai Patel further stated that as the supply of goods were shown only on paper and no materials were procured, no delivery challan or E-way bills were supplied by Shri Yunushbhai. Also they didn't have any consignment notes / transport bills showing actual transport of goods/raw material shown to have procured form M/s. Ham Alloys Exim, Gandhidham and also his own firm M/s. M/s. Prime Trading Co. during the year 2017-18 (from July 2017) and 2018-19 (upto 31.08.2018). Agreeing to the mistake the appellant paid/reversed the said amount for Rs. 7,00,484/-(CGST Rs. 3,50,242/- and SGST Rs. 3,50,242/-).

Accordingly, the appellant was issued Show Cause Notice vide F. IV/16-43/PI/MMAloys/2018-19/Gr.III, dated 31.03.2022 by the Superintendent (Preventive), CGST & Central Excise, Gandhinagar. The impugned Show Cause Notice dated 31.03.2022 has been adjudicated by the adjudicating authority vide the impugned order dated 30.05.2023. The adjudicating authority has passed the impugned order, which is briefly summarized as below:

- They disallow the wrongly availed Input Tax Credit of Rs. 4,43,934/-(CGST Rs. 2,21,967/- and SGST Rs. 2,21,967/-) under sub-section (1) of Section 74 of the CGST Act, 2017 which has been paid by the appellant vide DRC-03 debit Entry Number DC2411180001902 dated 01/11/2018 is confirmed and appropriated.
- They order to recover Interest at applicable rates under the provisions of under Section: 50(3) of CGST Act, 2017 read with Section 74 of the CGT Act, 2017 on the GST liability mentioned above.
- They imposed Penalty of Rs. 4,43,934/-(CGST Rs. 2,21,967/- and SGST Rs. 2,21,967/-) under Section 74(l) of the CGST Act, 2017

4(i). Being aggrieved with the impugned order, the appellant preferred this appeal on 21.08.2023 on the following grounds:-

- That due to prejudice mind the learned adjudicating authority ignore appellant's arguments conveniently, that "The Show Cause Notice also alleges that the appellant has availed the ITC on the basis of fictitious/fake firms, which is factually incorrect.
- They further say & submit the learned adjudicating authority seems to be confused one side he argued that supplies were not existing firms and on the other side The learned adjudicating authority at para 17.2 of impugned order observed that "it is also seen that Tax on the said supply is also not actually paid to Government, as the supplier has paid it through spurious ITC." It is required to be ascertained first whether supplies are non-existing firms or the payment of tax by the supplier is under doubt. If supplier made wrong payment in such case how they are non-existence vice a versa if suppliers are non-existence than how they have made the payment. Also, when the adjudicating authority himself confirmed that the supplier has paid the tax from spurious ITC, which means that the supplier has allegedly availed the wrong ITC then paid the tax from such ITC. Then this will be the case of wrong availment of ITC on the part of supplier and not the case of non-payment of GST and for which the recipient cannot be held responsible.
- On going through the Show cause notice and impugned order it can be seen that entire case has been made only on the basis of the statement of Shri Rajesh Kumar Virsangbhai Patel, that too retracted immediately after the recording of statement and same has already been communicated to department well in time, no other corroborative evidences were brought on records to establish the said charges. These facts can be verified from the documents relied upon by the department.
- As, on one side the entire demand has been raised against appellant, on the basis of statement and the department could not produce any tangible corroborative evidences to establish the charges of wrong availment of Input Tax Credit by the appellant and on the other side the appellant is having all the required documentary evidences, copies of relevant documents as required by the investigating agency were produce by Shri Rajesh Kumar Virsangbhai Patel during his statement. Further all the purchase documents viz. Invoice, Challan, L.R. etc., were seized by the department vide Order of Seizure in the Form GST INS-02 dated 16/17.10.2019, from appellant premises which clearly proves that the appellant had received the inputs physically under the disputed invoices from the concerned suppliers and used the same in the manufacture of

finished goods and/or further supply of goods on payment of applicable GST. All these documentary evidences have been ignored by the investigating agency and learned adjudicating authority, which could have made the entire case disappear into thin air;

- The appellant made reliance on the following judgments :

(i) Hon'ble High court of Bombay in the case of M/s Santogen Textile Mills limited V/s Commissioner of Central Excise Navi Mumbai reported at 2017-T101.

(ii) Hon'ble Tribunal in the case of M/s. Davinder Sandhu Impex Ltd. v. CCE, Ludhiana reported in 2016 (336) E.L.T. 99 (Tri. -Del.)

Wherein court held that Documentary evidence has far greater weightage against oral evidence especially when the oral evidence is contrary to the documentary evidence;

- Appellant further say & submit that it is a settled law that statement relied by the investigation can be considered as evidence only if it is voluntary and free from any inducement, threat or promise, in the present case statement is not free from pressure, any inducement, threat or promise. In this regard appellant wish to rely on the decision of Hon'ble Supreme Court in the matter of Mohtesham Mohd Ismail V/s Spl. Director, Enforcement Directorate reported in [2007 (220) ELT 3 (S.C.)], wherein it was held that even confession of accused is not substantive evidence. The statement is part of the evidence only if it is voluntary and free from any sort of pressure. In view of above discursion in the present case statement dated 23.10.2018 of Shri Rajesh Kumar Virsangbhai Patel recorded under section 70 of CGST Act, 2017, has lost its evidential value;
- Appellant say & submit that the view of learned adjudicating authority that the statement was merely retracted is factually wrong. In absence of copy of statement, how a person can come to know what was written in typed copy of statement, how he can retract point wise, therefore it has been retracted in full;
- The learned adjudicating authority observed that appellant failed to produce relevant documents like invoices, LR etc. In this regard it is to submit that learned adjudicating authority may be correct in his perspective. But the facts are contradictory, Shri Rajesh Kumar Virsangbhai Patel during recording of his statement has produce the copies of relevant documents as required by the investigating agency. Further all the purchase documents viz. Invoice, Challan, L.R. etc., were seized by the department vide Order of Seizure in the From GST INS02 dated 06/17.10.2019, from appellant premises. The Panchnama dated 16.10.2018 is relied upon for issuance of notice, however it has been not discussed in Show cause Notice. Document withdrawn under Panchnama

and submitted during the recording of statement of Shri Rajesh Kumar Virsangbhai Patel, are not relied upon, it can be verified from the list of relied upon documents, thus it is natural that these documents were not available with learned Adjudicating authority, in absence of above documents the learned Adjudicating authority has taken such erroneous view that appellant failed to produce relevant documents like invoices, LR etc;

- That appellant has purchase only invoices without receipt of goods are baseless as all the purchases made by appellant are genuine and can be verified with all the relevant documents required under law. The appellant, with their due diligence, has verified the genuineness and identity of these suppliers. Both the suppliers were registered with department as taxable person and their names and GSTN were available at the Government portal showing their registrations as valid and existing at the time of transactions. Also, all the goods were received under cover of proper tax invoice, challan etc., therefore, the appellant has taken all the reasonable steps on their part in ascertaining the correctness and genuineness of the suppliers;
- The department has failed to give any evidences, from where appellant had received the inputs, which were used for manufacture of finished goods and supplied the same on payment of appropriate GST. There is no documentary evidence to prove that appellant had received any input from any other source except the supplier in dispute;
The appellant has used the purchased goods for manufacturing of final goods/further supply on which applicable GST has been paid, which is not under challenge, therefore the appellant has completely fulfilled the said condition and therefore are eligible to avail ITC;
- The supplier has collected the tax from appellant and paid the GST to the department by filing the GSTR-1 & 3B Return and which is reflected in auto populated GSTR-2A. It has been accepted by the learned adjudicating authority in the impugned order. This itself is the proof that suppliers had made the payment by filing GSTR-3B and even if the department's case is that the supplier has made the payment by first availing wrong credit and then paying the tax from such credit in GSTR-3B and later on cancelled their registration, then also it will be case of wrong availment of ITC on the part of supplier and for such default if department want to raise the demand then also the same can be raised only against supplier and not against the appellant;
- The information available on GST Portal, is itself a proof that the supplier viz. M/s Ham Alloys Exim Plot, Gandhidham Kachchh Gujarat 370240

(GSTIN 224BOCPR3165N1ZL) and M/s Prime trading Co., Plot no.73, Kumbharvada Bhavnagar Gujarat 364001 having GSTIN no.24ABUPH2633M1ZC was existed during the material period and has filed the statutory returns viz. GSTR-1, GSTR3B, GSTR-9 & 9C, the information available on GST Portal and the department has cancelled the supplier's registration Suo-motto with retrospective dates. Thus, it is clear that the department has denied the ITC by cancelling the registration of supplier Sue-Motto with retrospective effect;

- The appellant says and submits that learned adjudicating authority has wrongly interpreted the provisions of the Sale of Goods Act, 1930, and reached an erroneous conclusion that there was no contract, either oral or written, between the sellers (non-existent firms) and the buyer (Appellant). Appellant to say and submit it is not mandatory to contact the seller directly; the Appellant has conducted business through an agent. Regarding the verification of the suppliers' credentials, it is to submit that it is not mandatory to verify the suppliers' credentials by contacting them or visiting their premises. What further credentials of the suppliers need verification when the Government of India has issued GST registration numbers and authorised the suppliers to collect tax on behalf of the government and deposit it in the government's account. The government frames rules and policy with consciousness. Numerous officers examine the pros and cons of the policy before its implementation. After five years of implementing the GST Act, claiming that the GST registrations of these non-existent firms were fraudulently acquired by uploading bogus documents in the GSTN portal, exploiting the liberalised norms of registration allowed by the Government in the GST era, where physical verification of newly registered premises was not made mandatory by field officers and registration was granted merely by viewing and verifying the uploaded documents online, is nothing but the department shirking its responsibility;
- In the present case, the contract was oral with the agent of supplier, which was subsequently confirmed by the supplier by sending the goods along with relevant tax invoices. The appellant, as the buyer, confirmed the same by making payment for the goods through banking channels;
- With regards to view of investigation that appellant accepted and paid Rs. 4,43,934/towards alleged availment of ITC on the basis of such not existent/fake firms, the learned adjudicating authority without giving any findings the learned adjudicating authority adjusted the said payment against the demand, which is legally not sustainable. In this regard appellant say & submit that Appellant in in Part B of GST DRC-O1A, denied that payment was voluntary and mainly submitted that they do not

agree to pay the interest and penalty and they paid the full amount of tax only for the mental peace, as they are hopeful of getting relief during adjudication/appeal process and requested for not to initiate any further recovery proceedings for interest and penalty;

- Appellant say & submit that the officers of Preventive section Gandhinagar Commissionerate have forcefully and under pressure asked the appellant to pay an amount of Rs. 4,43,934/-, which was paid by appellant vide DRC3 dated 01.11.2018 under pressure. This payment cannot be considered as voluntary payment or admission against the charges of the wrong availment of ITC on the basis of such not existent/fake firms. This amount therefore cannot be adjusted or appropriated towards the demand of Tax made in the SCN;
- Appellant prayed that the Learned Commissioner (Appeals) may be pleased to Set aside the impugned Order-in-Original No. 03/AR-II/HMT/2023-24 dated 30.05.2023.

Additional submissions:

4(ii). In further written submission submitted during the course of personal hearing on 27.09.2023, the appellant contended on the following points:-

- (a) That department has already investigated the case against these suppliers and in one case of M/s. Prime Trading Co., they have recorded the statement of Shri Hamidani Sohif Mohmadyunus, proprietor of M/s. Prime Trading Co. stated that they have actually supplied actually physical goods to M/s. Sareneswar Alloys Pvt. Ltd.
- (b) That the entire case has been booked only on oral evidence without corroborative with any documents; that appellant has full filled the entire condition of Section 16(1) of the Act; that no efforts were made by the department to recover the Tax from supplier; that they have made entire transaction through banking channel.
- (c) The appellant made reliance on the following judgments:
 - (i) Hon'ble High court of Gujarat at Ahmedabad in the case of M/s Arshil Enterprise V/s State of Gujarat.
 - (ii) Hon'ble High court of Madhya Pradesh at Indore in the case of M/s Agrawal and Brothers V/s Union of India, Western Railway and Superintendent, CGST & C.Ex., Ratlam.
 - (iii) Hon'ble High court of Calcutta at Jalpaiguri in the case of M/s Cargo Traders V/s Joint Commissioner, Commercial Taxes (State Tax) & Ors.

Personal Hearing:

5. The appellant was granted personal hearing on 27.09.2023. Mr. Ashok Israni, Tax Consultant, appeared for hearing in the matter as authorized representative on behalf of the appellant. They submitted that the basic fact on which the Adjudicating Authority relied and confirmed demand that the M/s. Prime Trading was found to be non existent is far from the truth. In this regard he has submitted statement of son of the proprietor before another CGST Bhavnagar officer, there in he has categorically stated that they have supplied goods to M/s. Champeshvar Iron & Steel Pvt. Ltd. apart from above he has produced Hon'ble High Court decision in support of their defence. He further reiterated the additional submission and appeal memorandum.

Discussion and Findings:

6. I have carefully gone through the facts of the case available on record and grounds of appeal in the Appeal Memorandum as well as the oral submissions made by the appellant at the time of hearing. The issues to be decided in the present appeal are whether the appellant had correctly availed ineligible ITC during the period 2017-18 (from July 2017) and 2018-19 (upto 31.08.2018) amounting to Rs. 4,43,934/- or otherwise?

7(i). It is observed from the case records that an inquiry was carried out by the officers of CGST & C.Ex., Kutch, Gandhidham Commissionerate in respect of M/s. Global Enterprise Gandhidham Kutch, M/s. HAM Alloys; its proprietor Shjri MukeshPitti and other related firms operated by him and they were issuing fake invoices and passing ineligible GST credit to various assessee of Ahmedabad sector without movement of the goods. In this connection an inquiry was initiated on the appellant and issued summons dated 09.10.2018 to Shri Rajesh Kumar Virsangbhai Patel, Director of M/s. Champeshvar Alloys Pvt Ltd, looking after all the affairs of the registered person firm.

7(ii). During the statement recorded on 23.10.2018, I find that Shri Rajesh Kumar Virsangbhai Patel, Director of M/s. Champeshvar Alloys Pvt Ltd., had accepted that they were obtaining invoices without supply of goods through Shri Yunis bhai who is proprietor of M/s. Prime Trading Company Bhavnagar. Shri Rajesh Kumar Virsangbhai Patel further stated that M/s. Ham Alloys Exim and M/s. Prime Trading Co. had never conducted any business, never supplied or received any goods in physical or services; however they received / issued goods less invoices to receive / supply fake input tax credit

(ITC) in instant case. As per his statement I find that the said non-existent / fake invoice supplier firms were involved in only paper trading or the purpose of defrauding the government exchequer by way of passing of irregular and inadmissible Input Tax Credit. Further, I find that said non-existent firms had supplied invoices without supply of goods to many firms including the registered persons firm thereby passing fake ITC and the registered person had availed the fake ITC on the strength of the invoices issued by said fake firms.

7(iii). In his statement I find that Shri Rajesh Kumar Virsangbhai Patel told that in consultation with Shri Yuneshbhai (proprietor of M/s. Prime Trading Co.) he decided to procure only bills/ invoices from him. In such transaction Shri Yuneshbhai supplied only bills/invoices showing purchase of MS Scrap or Waste & Scrap or Iron and Steel in name of M/s. Champeshvar Alloys Pvt Ltd. and in return they procured the raw materials actually from nearby or Ahmedabad based scrap traders/suppliers. He further stated that Shri Yuneshbhai only supplied the bills/invoices, they used to first transfer the purchase amount shown in the Bills/Invoices (which were supplied by Shri Yunushbhai, without actual transfer or supply of materials) in the bank Accounts of Shri Yunushbhai of the bank accounts suggested by Shri Yunushbhai. He further stated that on basis of the supplied fake bills they availed the GST ITC fraudulently in their ITC ledger. Shri Rajesh Kumar Virsangbhai Patel further stated that after deducting his commission or charge Shri Yunushbhai returned the amount in cash or through Havala or they instructed him to give the amount to other suppliers from whom they actually procured the raw materials. He further stated that on their demand Shri Yunushbhai had supply only bills/invoices from M/s. Ham Alloys Exim, Gandhidham and also from his own firm M/s. Prime Trading Co. during the year 2017-18 (from July 2017) and 2018-19 (upto 31.08.2018). Shri Rajesh Kumar Virsangbhai Patel further stated that as the supply of goods were shown only on paper and no materials were procured, no delivery challan or E-way bills were supplied by Shri Yunushbhai. Also they didn't have any consignment notes / transport bills showing actual transport of goods/raw material shown to have procured form M/s. Ham Alloys Exim, Gandhidham and also his own firm M/s. Prime Trading Co. during the year 2017-18 (from July 2017) and 2018-19 (upto 31.08.2018). Further I find that the appellant paid/reversed the said amount for Rs. 7,00,484/- (CGST Rs. 3,50,242/- and SGST Rs. 3,50,242/-).

8(i). In the instant case the main issue is of availed ineligible ITC by issuing fake invoices and passing ineligible GST credit to various assessee. Accordingly

I refer to the relevant extract of Section 16 of the CGST Act, 2017 provides eligibility conditions for taking Input Tax Credit:-

(d) **he has furnished the return under section 39:**

8(ii). As per the fact available on record and as per statement of Shri Rajesh Kumar Virsangbhai Patel, I find that the said non-existent / fake invoice supplier firms were involved in only paper trading or the purpose of defrauding the government exchequer by way of passing of irregular and inadmissible Input Tax Credit. The supplies of goods were shown only on paper and no materials were procured, no delivery challan or E-way bills were supplied by Shri Yunushbhai. Also they didn't have any consignment notes / transport bills showing actual transport of goods/raw material shown to have procured from M/s. Ham Alloys Exim, Gandhidham and also his own firm M/s. Prime Trading Co. Further I find that as per Section 155 of CGST Act, 2017 the burden of proof, in case of eligibility of ITC, availed by the appellant, lies

entirely on the appellant. I refer to the relevant extract of Section 155 of the CGST Act, 2017:

Section 155. Burden of proof.-

Where any person claims that he is eligible for input tax credit under this Act, the burden of proving such claim shall lie on such person.

In the instant case I find that the appellant has to prove his eligibility to avail ITC in the light of aforesaid conditions, enumerated in Section 16 of the CGST Act, 2017. However I find that the appellant has failed to satisfy all the mandatory conditions to make him eligible for ITC on supply of goods mentioned in invoices. The appellant has also failed to establish "Supply" of goods, on which ITC was taken, as they are unable to produce the buyer with whom the contract for sale was made. The appellant not able to establish the genuineness of the invoices on which ITC was availed, as they were unable to prove the veracity of the signature reflected in the said invoices. The appellant also unable to prove the delivery of goods from the said supplier as the said supplier has been non-existent/fake invoice supplier firms as proved by department enquiry. Further I find that the tax on the said supply is also not actually paid to the Government, as the supplier has paid it through spurious ITC.

(iii). Further, I find that Shri Rajesh Kumar Virsangbhai Patel, in his statement recorded on 23.10.2018 stated that they paid the bill amount to account of Shri Yunusbhai or other accounts as directed by Shri Yunusbhai. Shri Yunusbhai returned the said amounts after deducting his commission in cash or through Havala or paid that amount to the actual suppliers who actually supplied goods to him. I find that the well thought modus operandi was going on just to generate and pass on fake ITC.

9(i). In the appeal memorandum, the appellant has contended that entire case has been made only on the basis of the statement of Shri Rajesh Kumar Virsangbhai Patel, that too retracted immediately after the recording of statement and same has already been communicated to department well in time. In this regard, I find that the appellant had filed affidavit for retraction of the statement of Shri Rajesh Kumar Virsangbhai Patel. The statement was recorded on 23.10.2018 and he has retracted his statement on 29.10.2018. However I find that the retraction is quite late and has to be considered as an afterthought. Secondly, merely retracting a statement would not be enough as Shri Rajesh Kumar Virsangbhai Patel has not been able to prove that he had received the goods, had a contract with the buyer and the tax had indeed been

paid by the supplier of the goods. Mr. Patel has not been able to the genuiness of the firms from who he has stated to have bought goods. He has not been able to show correct and legal transport documents in order to establish the receipt of goods from the two suppliers. Therefore the other evidence is against the appellant to establish that they have not received the goods. Accordingly, I find that the retraction would not have evidentiary value and cannot be accepted.

9(ii). The appellant further contended that the officers of Preventive section Gandhinagar Commissionerate have recorded the statement under threat, pressure and duress and forcefully and under pressure asked the appellant to pay an amount of Rs. 4,43,934/-. In this regard, I find that there is no evidence available on the record that the statement was recorded under threat, pressure and duress and appellant had pay an amount under pressure.

9(iii). The appellant further contended that in another case, department has already investigated the case against these suppliers and in one case of M/s. Prime Trading Co., they have recorded the statement of Shri Hamidani Sohif Mohmadyunus, proprietor of M/s. Prime Trading Co., where they stated that they have actually supplied actually physical goods to M/s. Champeshvar Alloys Pvt. Ltd. In this regard, I find that in the instant case Shri Rajesh Kumar V. Yunesbhai Patel told in his statement dated 23.10.2018 that in consultation with Shri Hamidani Sohif Mohmadyunus (proprietor of M/s. Prime Trading Co.) he decided to procure only bills/ invoices from him. In such transaction Shri Yunesbhai supplied only bills/invoices showing purchase of MS Scrap or Waste & Scrap or Iron and Steel in name of M/s. Champeshvar Alloys Pvt Ltd. and in return they procured the raw materials actually from nearby or Ahmedabad based scrap traders/suppliers.

10. In the instant case, the appellant has referred various judgements in his written submission and in his additional submission. I have observed all the referred judgement were on different issue and no one is identical to the instant case. I find that the department stand and provisions of the CGST Act, 2017 read with the IGST Act, 2017 and the SGST Act, 2017 is pretty clear on the said issue of wrong availment and utilization of ITC. In the instant case I find that the appellant had deliberately availed such inadmissible ITC with sole intention to defraud the Government Exchequer. Had the departmental officers not initiated the enquiry, such wrong availment of ITC would have remained unnoticed and the appellant would have continued to enjoy the unlawful benefit.

11. In view of the above discussions, I do not find any merit in the contention of the appellant so as to intervene in the impugned order passed by the adjudicating authority. Accordingly, I find that the impugned order of the adjudicating authority is legal and proper and hence uphold and reject the present appeal of the appellant.
