ORDER-IN-APPEALBRIEF FACTS OF THE CASE:

M/s. Adani Total Gas Ltd.(GSTIN-24AAFCA3788D1ZS) having principal place of business Plot No 76/1 and 77, Adani Total Gas Limited, Maninagar Road, Opp. Fire Brigade, Maninagar, Ahmedabad, Ahmedabad, Gujarat, 380008 (hereinafter referred to as the "Appellant") has filed appeal Against OIO No.ZI2405230195720 dated 12.05.2023 issued by the Assistant Commissioner, CGST & C.Ex., Division VII, Ahmedabad-North Commissionerate, Ahmedabad (herein after referred as the "impugned order").

2. Brief facts of the case are that the Appellant registered under GSTIN-24AAFCA3788D1ZS is engaged in the business of laying gas pipeline networks across the country for transportation/supply of gas. The Appellant has paid Rs.18,23,456/- (CGST Rs.9,11,728/-, SGST Rs.9,11,728/-) on the services under RCM towards the road restoration charges to Government organization i.e. Municipal authority namely Porbandar Nagar Palika. Subsequently, the Appellant filed Refund claim with the adjudicating authority, realising that there was no Liability to discharge GST on the amount paid by them to the Municipal Corporation towards restoration/repair charges as the activities undertaken by Central Government, State Government and Local Authorities with respect to function entrusted under Article 243W and/or Article 243G of the Constitution of India are neither treated as supply of goods nor supply of services by virtue of Notification No. 14/2017-CTR (as amended). The refund sanctioning authority rejected the refund claim on the ground of limitation vide Order No. ZP2406220138386 dated 08.06.2022.

3. Aggrieved by above order, appellant filed appeal before the Joint Commissioner (Appeals). The said appellate authority set aside the order dated 08.06.2022 stating that the subject appeal was within time period and allowed the appeal without going into merits of all other aspects vide OIA No. AHM-CGST-002-APP-ADC-165/2022-23 dated 02.03.2023. On the basis of the said OIA dated 02.03.2023, appellant filed refund claim vide ARN No. AA240323050586E dated 16.03.2023. The adjudicating authority examined the claim and found that the restoration charges paid to the Municipal Corporation is an amount paid to a local authority engaged as a public authority, which as per the Notification No. 12/2017 is not allowed. Hence, a show cause notice dated 20.04.2023 was issued to them.

4. The adjudicating authority, vide the impugned order has ordered that the said amount of Rs.18,23,456/- paid as GST by the Appellant is towards the services provided by the Municipal authorities, therefore the Appellant had correctly paid tax in respect of the services received from the Municipal authorities, in terms of entry No.5 of the Notification No.13/2017-CT (rate) dated 28-06-2017.

5. Being aggrieved with the impugned order, the Appellant filed the present appeal on 09.08.2023 on the grounds that:

*"1. Ld. Adjudicating has grievously erred by rejecting refund claim of Rs. 18,23,456/- without following the law principal jurisprudence. In this matter Joint Commissioner has allowed this appeal and based on same subject refund claim was filed. However, Ld. Authority without obeying the order of higher authority bluntly rejected on the new ground which was never part of original SCN. Thus this rejection order seriously violated the principal of law of judicial discipline and this order is also seriously travelled beyond the scope of original show cause notice which is bad in law, on this point only this order needs to be dropped.*

*There are various Supreme Court judgment which clearly state that order of higher authority is binding upon the department, if department did not agree with the order of the higher authority they should have been approached the higher forum, without doing this, simply sitting quite and rejecting valid refund is bad in law.*

*In support of this, appellant brought notice of the decision of Supreme Court passed in the similar matter in the case of Som Mital Vs Govt of Karnataka [(2008) 3 SCC 753 (SC)] wherein it was held that the decisions of Supreme Court and the High Court must be respected and carried out by the subordinate courts punctually and faithfully. If there is any difference of opinion among the judges of the Supreme Court, law laid by the majority shall be laid down and shall have the binding force. The ruling is binding on the lower courts and the courts having smaller bench structure.*

*2.Ld Authority grievously erred in law as well as in facts while contending that the claim of the Appellant that the Road Cutting Charges were covered by Sovereign Notification was wrong. Ld. Adjudicating Authority also erred while contending that the Road Cutting Charges collected by Corporation does not fall under Article 243W of the Constitution. Ld. Adjudicating Authority failed to appreciate that the Road Cutting Charges were towards the functions entrusted to the Corporation as per Twelfth Schedule of Constitution.*

*3. Ld. Adjudicating Authority failed to prove that the amount of Rs. 18,23,456/- paid by the Appellant was tax leviable under sub-section ( 1) of section 9 of the Act."*

**Personal Hearing:**

6. Personal hearing in the present appeal was scheduled on 06.10.2023, 19.10.2023, 30.10.2023 and 09.11.2023. However, neither the appellant nor

any authorized person, on behalf of the appellant appeared before me. Hence, as per the extant Rules, I am proceeding to decide the case, ex-party.

## 7 Discussion and Findings:

7.1. I have carefully gone through the facts of the case and the submissions made by the Appellant in their grounds of appeal and find that the Appellant is mainly contesting with (i) that adjudicating authority violated the principle of judicial discipline by rejecting the refund claim and not following the order of higher authority (Joint Commissioner, Appeals) and (ii) the amount of GSTRs.18,23,456/-paid by them under R.C.M. on the amount of Demand Notes raised by the Porbandar Nagar Palika for recovery of Road restoration charges to the tune of Rs.1,01,30,310/-, however subsequently the Appellant realized that the activities undertaken by the Central Government, State Government and Local authorities with respect to functions entrusted under Article 243 W and/or Articles 243G of the Constitution of India are neither treated as supply of goods nor supply of services by virtue of Notification 14/2017-CTR, as amended. The Road cutting charges paid to the Corporation was evidently and undisputedly falling within the scope of the Sovereign Notification and accordingly did not attract the provisions of Section 9 of the GST Act,2017.

6.2 So the issue to be decided in the present appeal is:

- (i) Whether adjudicating authority violated the principal of judicial discipline?
- (ii) Whether the refund order passed by the adjudicating authority rejecting the refund amounting to Rs.18,23,456/-vide the impugned order is proper or otherwise?

6.3 At the foremost, I observed that in the instant case the "impugned order" is of dated 12.05.2023 and the present appeal is filed online on 07.08.2023. As per Section 107(1) of the CGST Act, 2017, the appeal is required to be filed within three months time limit. I observed that in the instant case the appeal has been filed within normal period prescribed under Section 107(1) of the CGST Act, 2017. Accordingly, I am proceeding to decide the case.

6.4 As regard to the allegation of violation the principal of judicial discipline, I observed that vide Order-in-original dated 08.06.2022, refund of the appellant was rejected by the adjudicating authority on the ground of limitation. Aggrieved by above order, appellant filed appeal before the Joint Commissioner (Appeals) Ahmedabad, which was allowed vide OIA No.AHM-CGST-002-APP-ADC-165/2022-23 dated 02.03.2023 wherein appellate authority held that the

subject appeal was within time period and allowed the appeal without going into merits of all other aspects. The appellate authority also stated that any claim of refund in consequence to subject OIA dated 02.03.2023 may be examined by the appropriate authority for its admissibility on merit in accordance with Section 54 of CGST Act, 2017 and Rules made thereunder as well as in the light of order of the Hon'ble Supreme Court dated 10.01.2022 and CBIC's Notification No. 13/2022 -Central Tax dated 05.07.2022.

7.5 In pursuance of above OIA, appellant filed refund on 16.03.2023 which was rejected vide the impugned order dated 12.05.2023 on the merits of the case. In the present case, as stated above, appellate authority had vide OIA dated 02.03.2023 held the earlier order of rejection of refund claim on being time-barred, as improper, without going into merits of the claim and therefore, while processing the present refund claim, adjudicating authority observed certain discrepancies which were not observed earlier while passing the order on time-limitation factor, and therefore, SCN was issued to the appellant. Therefore, it is amply clear that adjudicating authority followed the principle of judicial discipline properly and issued SCN before passing the order on the issue, the order rejecting the refund filed by the appellant on merits. Hence the contention of the appellant that the adjudicating authority has disobeyed the order of the higher authority, is not tenable.

7.6 Further as regards to issue of rejection of the refund of Rs.18,23,456/- vide the impugned order, I observe that M/s. Adani Gas Ltd., having its principal place of business at Ahmedabad, and holding GST registration number 24AAFCA3788D1ZS is engaged in the business of laying gas pipeline networks across the country for transportation/supply of gas. These pipelines are generally laid towards the edge of the roads. The permission was granted by the respective Municipal Authorities/Panchayats in various states/urban areas where the pipelines are sought to be laid. The permission granted by the respective Municipal Corporations/Panchayats/NagarPalikas interalia specifies the co-ordinates of the area (road) where the pipe laying work is to be undertaken and authorizes Appellant for cutting the road, digging, barricading etc. for the same. Permissions were granted to Appellant further requires them to restore the road to its original condition after undertaking the road cutting work, or alternatively, Appellant is required to pay to the respective Municipal Corporations/ Panchayats/ Nagar Palikas other government authority such as forest department, a charge for restoration/repair of road. For recovering the road restoration/repair charges, the Municipal, Authorities/Panchayats/Nagar Palikas raise a demand note on Appellant, based on which the requisite

amount is paid by Appellant to the Municipal Authorities/Panchayats/Nagar Palikas. Appellant has interalia received permission from the Porbandar Nagar Palika for laying a gas pipeline network. The respective Municipal Corporations in this respect, raised a demand note, on Appellant for recovery of road restoration charges totaling to the tune of Rs.1,01,30,310/-and Appellant paid GST under RCM amounting to Rs.18,23,456/- (CGST Rs.9,11,728/-, SGST Rs.9,11,728/-).Subsequently, the Appellant filed Refund claim with the adjudicating authority, realising that there was no Liability to discharge GST on the amount paid by them to the Municipal Corporation towards restoration/repair charges. According to the Appellant, the services provided by the Municipality towards restoration of damaged roads caused by excavation work done by Appellant fall under the purview of Article 243W of the Constitution and hence exempted under Notification No.14/2017-CT(Rate) dated 28-06-2017 amended vide Notification No.16/2018-Central Tax(Rate) dated 26-07-2018. The text of the same is as under:

In the above Notification, the following was further substituted vide Notification No.16/2018-Central Tax(Rate) dated 26-07-2018 with effect from 27th of July, 2018:

 (i) after the words "State Government", the words "or Union territory" shall be inserted;  
 (ii) after the word "Constitution", the words "or to a Municipality under article 243W of the Constitution" shall be inserted."

6.5 Further according to the Adjudicating authority, as per entry(d) of Sl.No.6 of the Notification No.12/2017-CT (Rate), for the services provided by the Municipality, the Appellant are not eligible for any exemption under GST. Hence as per the entry No.5 of the Notification No.13/2017-Central Tax (Rate)

dated 28-06-2017, the text of the same is reproduced here under, the Appellant had correctly paid the tax in respect of the services received by them from the Municipal authorities.

Text of the Twelfth Schedule of the Constitution of India:

Twelfth Schedule

(Article 243W)

1. Urban planning including town planning.
2. Regulation of land-use and construction of buildings.
3. Planning for economic and social development.
4. **Roads and bridges.**
5. Water supply for domestic, industrial and commercial purposes.
6. Public health, sanitation conservancy and solid waste management.
7. Fire services.
8. Urban forestry, protection of the environment and promotion of ecological aspects.
9. Safeguarding the interests of weaker sections of society, including the handicapped and mentally retarded.
10. Slum improvement and upgradation.
11. Urban poverty alleviation.
12. Provision of urban amenities and facilities such as parks, gardens, playgrounds.
13. Promotion of cultural, educational and aesthetic aspects.
14. Burials and burial grounds; cremations, cremation grounds; and electric crematoriums.
15. Cattle pounds; prevention of cruelty to animals.
16. Vital statistics including registration of births and deaths.
17. Public amenities including street lighting, parking lots, bus stops and public conveniences.
18. Regulation of slaughter houses and tanneries.

6.6 I therefore, refer Twelfth Schedule of Article 243W of the Constitution, Notification No.12/2017-CT(Rate) dated 28-06-2017, Notification No.13/2017-CT(Rate) dated 28-06-2017, and Notification No.14/2017-CT(Rate) dated 28-

06-2017 amended vide Notification No.14/2017-CT(Rate) dated 28-06-2017, which are already quoted in the above paragraphs.

6.7 From the plain reading of the Twelfth Schedule of Article 243W of the Constitution, it is seen that it covers Road and Bridges, Further as per Notification No.14/2017-CT (Rate)dated 28-06-2017as amended vide Notification No. 16/2018-CT (Rate) the following activities or transactions undertaken by the Central Government or State Government or Union territoryor any local authority in which they are engaged as public authority, shall be treated neither as a supply of goods nor a supply of service

*"Services by way of any activity in relation to a function entrusted to a Panchayat under article 243G of the Constitutionor to a Municipality under article 243W"*

6.8 From the above, it is amply clear that the services under article 243W/243G of the Constitution, which includes "Roads", if undertaken by the Central Government or State Government or Union territoryor any local authority in which they are engaged as public authority, shall be treated neither as a supply of goods nor a supply of service.

6.9 Here it is pertinent to note that the services undertaken by the authority as laid down in the Notification ibid in which they are engaged as public authority meaning thereby the activity undertaken by them for Roads etc., which is a function entrusted to them, for the use by general public, is exempted. In this regard, if the activity is undertaken, the demand won't be levied to any business entity but the authority themselves will bear the cost of the construction and/or repairs of Roads, for which they are eligible for exemption from payment of GST.

6.10 I find that the scenario in the present case is different. The services of restoration of roads are not received by the Municipal authority. The roads are already there, however the restoration of roads isundertaken by the Municipality authority on behalf of the Appellant due to permission granted for digging of roads for laying pipelines to the Appellant for transportation /supply of gas to their customers i.e. for the purpose of the business which they are carrying out and it was the responsibility of the Appellant to restore the road to its original condition after undertaking the road cutting work, or alternatively, Appellant is required to pay to the respective Municipal authority, a charge for restoration/repair of roads. It is for such service for which the demand Notes have been raised by the Municipality to the Appellant. It is made clear in the Notification No.12/2017 dated 28-06-2017, at Sl.No.6,point No.(d) that any

service, other than services covered under entries (a) to (c) if provided to the business entities are not exempted. Here the services are provided by the Municipal authority to the Appellant as explained above, as per my view the same are covered under entry (d) of the Sl.No.6 of the Notification No.12/2017 dated 28-06-2017, hence not entitled for exemption from payment of GST.

6.11 It is undisputed fact that the payments made by the Appellant were in relation to restoration of roads which are damaged by them while laying of pipelines. However, claim of the Appellant that the payments made by the Appellant to the MC in relation to the road are to be deemed as the payments for functions carried out by it under Article 243W. Here if the said restoration of roads was suo moto conducted by the Panchayat/Municipal Authority due to any reason other than the road damaged for laying of cables, pipes, etc. by any business entity, falls under article 243W/243G of the constitution and hence exempted from payment of GST as it is neither supply of goods nor supply of services.

6.12 In the present case, I find that, had the Appellant not dug the road for laying the pipelines for transportation /supply of gas to their customers, the question of restoration of roads would have not arisen. The Whole act of digging, laying of pipelines for transportation of gas through it to their customers and restoring the roads to its original is nothing but part of their business activity. It is not possible to supply gas through pipeline without undertaking the said activity. Therefore restoration of the roads conducted on account of it is also part of furtherance of their business, hence liable for payment of GST on the services so received from the Municipal Authority.

6.13 As regards contention of the Appellant that the adjudicating authority passed the impugned order without affording any opportunity of personal hearing to them, however, I find that defence reply of the appellant filed on 05.05.2023 has already been taken by the adjudicating authority in the impugned order dated 12.05.2023. In this regard, the Appellant being aggrieved that the order was passed without the opportunity of personal hearing, could have at least not missed the opportunity of the personal hearing offered by this appellate authority. Had the grievance been genuine, the Appellant would not have missed the personal hearing offered to them by this appellate authority.

6.14 In view of the discussions above, I am of the view that the service under dispute does not qualify under Article 243W of the Constitution, hence not eligible for exemption under the Notification No. 12/2017 dated 28-06-2017. I

am of the view that Appellant had rightly paid the GST amounting to Rs.18,23,456/- (CGST Rs.9,11,728/-, SGST Rs.9,11,728/-) on the amount of services charged by the Municipal Authority, under the Reverse Charge Mechanism as per entry No.5 of the Notification No.13/2017 dated 28-06-2017.

7. In view of the foregoing facts & discussion, I do not find any infirmity in the impugned order and the impugned order passed by the adjudicating authority is legal and proper and as per the provisions of law. Accordingly, I reject the present appeal of the "Appellant".

8. अपीलकर्ताद्वारा दर्ज की गई अपीलकानिपटाराउपरोक्तरीकेसेकियाजाताहै।

8. The appeal filed by the Appellant stands disposed of in above terms.
