ORDER-IN-APPEAL

The present appeal has been filed by M/s. Chunibhai Balubhai Parmar, B-702, Satva Elegance Flats, Silver Star Cross Road, Chandlodiya, Ahmedabad – 382481 (hereinafter referred to as “the appellant”) against Order-in-Original No. CGST/WT07/HG/294/2022-23 dated 17.08.2022 (hereinafter referred to as “the impugned order”) passed by the Assistant Commissioner, Central GST, Division VII, Ahmedabad North (hereinafter referred to as “the adjudicating authority”).

2. Briefly stated, the facts of the case are that the appellant is holding PAN No. AMJPP8167G. On scrutiny of the data received from the Central Board of Direct Taxes (CBDT) for the FY 2015-16 and FY 2016-17, it was noticed that the appellant had earned an income of Rs. 11,80,600/- during the FY 2015-16 and Rs. 10,70,500/- during the FY 2016-17, which was reflected under the heads “Sales / Gross Receipts from Services (Value from ITR)” or “Total amount paid / credited under Section 194C, 194I, 194H, 194J (Value from Form 26AS)” filed with the Income Tax department. Accordingly, it appeared that the appellant had earned the said substantial income by way of providing taxable services but has neither obtained Service Tax Registration nor paid the applicable service tax thereon. The appellant was called upon to submit copies of Balance Sheet, Profit & Loss Account, Income Tax Return, Form 26AS, for the said period. However, the appellant had not responded to the letters issued by the department.

2.1 Subsequently, the appellant was issued a Show Cause Notice No. CGST/AR-V/Div-VII/A'bad North/TPD UR/15-16/60/20-21 dated 23.12.2020 demanding Service Tax amounting to Rs. 3,31,762/- for the period FY 2015-16 and FY 2016-17, under proviso to Sub-Section (1) of Section 73 of the Finance Act, 1994. The SCN also proposed recovery of interest under Section 75 of the Finance Act, 1994; and imposition of penalties under Section 77(1)(a), Section 77(1)(c), Section 77(2) and Section 78 of the Finance Act, 1994. The SCN also proposed recovery of un-quantified amount of Service Tax for the period FY 2017-18 (up to Jun-17).

2.2 The Show Cause Notice was adjudicated, ex-parte, vide the impugned order by the adjudicating authority wherein the demand of Service Tax amounting to Rs. 3,31,762/- was confirmed under proviso to Sub-Section (1) of Section 73 of the Finance Act, 1994 along with Interest under Section 75 of the Finance Act, 1994 for the period from FY 2015-16 to FY 2016-17. Further (i) Penalty of Rs. 3,31,762/- was also imposed on the appellant under Section 78 of the Finance Act, 1994; (ii) Penalty of Rs. 10,000/- was imposed on the appellant

under Section 77(1)(a) and Section 77(1)(c) of the Finance Act, 1994; and (iii) Penalty of Rs. 5,000/- was imposed on the appellant under Section 77(2) of the Finance Act, 1994.

3. Being aggrieved with the impugned order passed by the adjudicating authority, the appellant have preferred the present appeal on the following grounds:

- The nature of activities undertaken by them have not been taken on record and revenue has merely assumed that the same appears to be covered under the definition of service. The show cause notice and the impugned order has been issued on the basis of assumptions and presumptions and the same is required to be quashed.
- They are transporters of goods by road and covered under negative list under Section 66D of the Finance Act, 1994. Hence, service tax is not applicable on services provided by them.
- As per Section 65(B)(26) of the Finance Act, 1994, goods transport agency means any person who provides services in relation to transport of goods by road and issues a consignment note by whatever name called. In their case, they have not issued any consignment note, therefore they have not goods transport agency. A goods transport agency collects goods from consignor and delivers the same to consignee. In their case there is no any consignor or consignee. They have delivered the goods directly to the recipient who may be a trader, contractor, builder etc. and the invoices issued by them show that they are only transporters providing the services of transportation of goods by road an not a goods transport agency.
- Even if they are covered under goods transport agency then liability to pay service tax is on recipient under reverse charge mechanism as per Notification No. 30/2012-ST dated 20.06.2012.
- Demand only for the normal period is available to the department. Without any deliberate intention to withhold / suppress information from the department, the invocation of extended period of limitation cannot be justified.
- There is no liability of service tax and therefore there would be no imposition of penalty as such.

4. Personal hearing in the case was held on 29.03.2023. Mrs. Sneha Mehta, Chartered Accountant, appeared on behalf of the appellant for personal hearing. She reiterated submissions made in appeal memorandum as well as those made in the additional written submission. She stated that she would submit copies of invoices as additional written submission.

4.1 The appellant, in their additional submission dated 29.03.2023, inter alia re-iterated the submission made in the appeal memorandum. The appellant vide their mail dated 18.04.2023 submitted copies of invoices issued by them for the FY 2015-16 & FY 2016-17 as additional submission, as stated during the personal hearing.

5. I have carefully gone through the facts of the case, grounds of appeal, submissions made in the Appeal Memorandum as well as additional written submission and documents available on record. The issue to be decided in the present appeal is whether the impugned order passed by the adjudicating authority, confirming the demand of service tax against the appellant along with interest and penalty, in the facts and circumstance of the case is legal and proper or otherwise. The demand pertains to the period FY 2015-16 and FY 2016-17.

6. It is observed that the main contention of the appellant is that they are transporters of goods by road and they have not issued any consignment note, therefore, they do not fall under the definition of goods transport agency and are covered under negative list under Section 66D(p) of the Finance Act, 1994. They have also provided invoices issued by them during the relevant period. It is also observed that the adjudicating authority has confirmed the demand of service tax vide impugned order which has been passed ex-parte.

7. I find that in the SCN in question, the demand has been raised for the period FY 2015-16 and FY 2016-17 based on the Income Tax Returns filed by the appellant. Except for the value of "Sales of Services under Sales / Gross Receipts from Services" provided by the Income Tax Department, no other cogent reason or justification is forthcoming from the SCN for raising the demand against the appellant. It is also not specified as to under which category of service the non-levy of service tax is alleged against the appellant. Merely because the appellant had reported receipts from services, the same cannot form the basis for arriving at the conclusion that the respondent was liable to pay service tax, which was not paid by them. In this regard, I find that CBIC had, vide Instruction dated 26.10.2021, directed that:

"It was further reiterated that demand notices may not be issued indiscriminately based on the difference between the ITR-TDS taxable value and the taxable value in Service Tax Returns."

3. It is once again reiterated that instructions of the Board to issue show cause notices based on the difference in ITR-TDS data and service tax returns only after proper verification of facts, may be followed diligently. Pr. Chief Commissioner /Chief Commissioner (s) may devise a suitable mechanism to monitor and prevent issue of indiscriminate show cause notices. Needless to mention that in all such cases where the notices have already been issued, adjudicating authorities are expected to pass a judicious order after proper appreciation of facts and submission of the noticee."

7.1 In the present case, I find that letters were issued to the appellant seeking details and documents, which were allegedly not submitted by them. However, without any further inquiry or investigation, the SCN has been issued only on the basis of details received from the Income Tax department, without even specifying the category of service in respect of which service tax is sought to be levied and collected. This, in my considered view, is not a valid ground for raising of demand of service tax.

8. On verification of the invoices issued by the appellant, I find that the appellant are engaged in transportation of construction material and issued invoices calculating charges per trip in the invoices, without issuing consignment notes, and have collected local fare for transportation of goods.

8.1 I find that with effect from 01.07.2012, there has been total shift in the service tax levy, from "specific service based taxation" to "negative list based taxation", that means, all the services, except those listed in negative list, shall be liable to service tax. Section 66B of the Finance Act, 1994 provides that there shall be levied a tax to be referred to as service tax on the value of all services, other than those services specified in the negative list, provided or agreed to be provided in the taxable territory by one person to another and collected in such a manner as may be prescribed. The 'negative list' is provided for in Section 66D of the Finance Act, 1994.

8.2 I also find that the appellant is a proprietorship firm and engaged in providing services of "Transport of goods by road" without issuing consignment notes. Thus, the appellant does not fall within the definition of Goods Transport Agency as provided under Section 65(B)(26) of the Finance Act, 1994 and the service provided by the appellant falls under Negative List of Services as per Section 66D(p)(i) of the Finance Act, 1994, which reads as under:

"SECTION 66D. Negative list of services. — The negative list shall comprise of the following services, namely :-

(p) services by way of transportation of goods—

(i) by road except the services of—

(A) a goods transportation agency; or

(B) a courier agency; "

(ii) [* * * *]

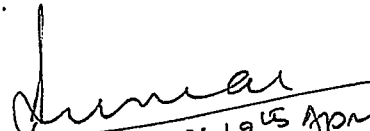

(iii) by inland waterways; "

10.3 In view of the above, I am of the considered view that the appellant were engaged in providing services by way of "Transportation of Goods" and collected rent as local fare of transportation of goods without issuing consignment notes. Their services are covered under the Negative List under Section 66D (p) (i) of the Finance Act, 1994 and they are not required to pay service tax. Since the demand of service tax is not sustainable on merits, there does not arise any question of charging interest or imposing penalties in the case.

11. In view of above, I hold that the impugned order passed by the adjudicating authority confirming demand of Service Tax on the income received by the appellant during the FY 2015-16 and FY 2016-17, is not legal and proper and deserves to be set aside. Accordingly, I set aside the impugned order and allow the appeal filed by the appellant.

12. अपील कर्ता द्वारा दर्ज की गई अपील का निपटारा उपरोक्त तरीके से किया जाता है ।

The appeal filed by the appellant stands disposed of in above terms.
