They have also provided man power supply service to body corporate where 100% service tax liability comes upon the service recipient.
- The appellant stated that they were not heard in person and the adjudicating authority decided the matter which is against the principle of natural justice.
- They stated that being individual, he provided man power supply service to "Container Corporation of India Ltd" a body corporate of Rs. 31,13,913/-and the recipient is liable to pay whole of the service tax as per Notification no 30/2012-ST dated 20.06.2012 further amended vide Noti. - The appellant submitted that he provided WCS to "Container Corporation of India Ltd" in relation to maintenance of Rs. 90,71,514/-. Details are as under:

Quarter	Basic Amount	70% of Basic amount	Service tax @50%

Q-2	20,81,716/-	14,57,201/-	1,02,004/-

• The appellant submitted that he provided WCS to "Container Corporation of India Ltd" of Rs. Rs. 1,97,75,683/- in relation to original works out of which service

tax on value Rs. 1,09,05,153/- has already been paid and on the remaining amount Rs. 88,70,530/- the service tax is not applicable as per negative list.

 The appellant stated that his father aged above 90 years was suffering from major injuries and was hospitalized, therefore delay in filing appeal occurred. They requested to condone the delay, set aside the impugned OIO and allow their appeal.

4. Personal hearing in the case was fixed on dated 08.04.2024. Shri sandip Patel, C.A. appeared for personal hearing on behalf of the appellant. he reiterated the contents of the written submission and requested to allow the appeal.

5. On going through the appeal memorandum, it is noticed that the impugned order was issued on 12.01.2023 and delivered on dated 18.05.2023 to appellant. The present appeal, in terms of Section 85 of the Finance Act, 1994 was filed on 18.08.2023, i.e. after a delay of 30 days from the last date of filing of appeal. The appellant have along with appeal memorandum also filed an Application seeking condonation of delay stating that his father was not well and hospitalized for treatment and thereby a delay of 30 days was occurred in filing the present appeals which was required to be filed on or before 18.07.2023.

6. Before taking up the issue on merits, I proceed to decide the Application filed seeking condonation of delay. As per Section 85 of the Finance Act, 1994, an appeal should be filed within a period of 2 months from the date of receipt of the decision or order passed by the adjudicating authority. Under the proviso appended to sub-section (3A) of Section 85 of the Finance Act, 1994, the Commissioner (Appeals) is empowered to condone the delay or to allow the filing of an appeal within a further period of one month thereafter if, he is satisfied that the appellant was prevented by sufficient cause from presenting the appeal within the period of two months. Considering the cause of delay given in application as genuine, I condone the delay of 30 days and take up the appeal for decision on merits.

7. I have carefully gone through the facts of the case, grounds of appeal, submissions made in the Appeal Memorandum and documents available on record. The issue to be decided in the present appeal is whether the impugned order passed by the adjudicating authority, confirming the demand of service tax against the appellant along

with interest and penalty, in the facts and circumstance of the case, is legal and proper or otherwise. The demand pertains to the period FY 2015-16.

8. It is observed that the main contention of the appellant is that they were not heard in person and not given the opportunity to file their written submission. In absence of the same the adjudicating authority decided the matter ex parte. Now the appellant has submitted before me that he has provided the works contract services to body corporate wherein the liability to pay service tax is under partial RCM as per notification no 30/2012 dated 20.06.2012. The valuation of works contract services is also governed by Rule 2A of Service Tax (Determination of Value) Rules,2006. He has also furnished the detailed supporting documents. Therefore, to ascertain the actual service tax liability, the issue needs detailed verification at the adjudication stage in both above aspects.

Further, they also submitted that they have provided man power supply to body corporate etc. and 100% of the service tax liability comes upon the service recipient in . their case. The issue needs also detailed verification. Therefore, I am of the considered view that the matter needs to be remand back for the detailed verification considering all the facts and decide it a fresh along with the direction to the appellant to furnish all the relevant documents before the adjudicating authority.

7. In view of the above, I set aside the impugned order and allow the appeal by way of remand.

8. अपील कर्ता द्वारा दर्ज की गई अपील का निपटारा उपरोक्त तरीके से किया जाता है | The appeal filed by the appellant stands disposed of in above terms.
