ORDER-IN-APPEAL

The present appeal has been filed by the Assistant Commissioner, CGST, Division-VI, Commissionerate- Ahmedabad South (hereinafter referred to as the "appellant"), on the basis of Review Order No. 29/2022-23 dated 15.07.2022 passed by the Principal Commissioner, Central GST, Ahmedabad South Commissionerate in terms of Section 84 (1) of the Finance Act, 1994, against Order in Original No. CGST-VI/Dem-25/Washup Denims/AC/DAP/21-22 dated 23.03.2022 [hereinafter referred to as "*impugned order*"] passed by the Assistant Commissioner, CGST, Division-VI, Commissionerate- Ahmedabad South [hereinafter referred to as "*adjudicating authority*"] in the case of M/s. Wash Up Denim Labs LLP, 16, Regent Park, Chief Justice Bungalow Lane, Bodakdev, Ahmedabad [hereinafter referred to as the "respondent"].

2. Briefly stated, the facts of the case is that the respondent was found to be not registered with the Service Tax department. As per the information received from the Income Tax Department, the respondent had earned substantial income from services amounting to Rs.68,66,951/- during F.Y. 2014-15. However, the respondent did not obtain service tax registration and did not pay service tax on the service income. The respondent was requested vide letters on different dates to submit the documentary evidence in respect of their income. However, the respondent failed to submit the required details/documents and neither was any explanation/clarification submitted regarding the income earned. Therefore, the respondent was issued Show Cause Notice bearing No. V/WS06/O&A/SCN-71/2020-21 dated 23.09.2020 wherein it was proposed to :

- A. Demand and recover the service tax amounting to Rs.8,48,755/- under the proviso to Section 73 (1) of the Finance Act, 1994 along with interest under Section 75 of the Finance Act, 1994.
- B. Impose penalty under Sections 77(1) and 78 of the Finance Act, 1994.
- C. Recover late fee in terms of Rule 7C of the Service Tax Rules, 1994 read with Section 70 of the Finance Act, 1994.

2. The SCN was adjudicated vide the impugned order and the proceedings initiated against the respondent were dropped.

3. Being aggrieved with the impugned order, the appellant department have filed the present appeal on the following grounds :

- i. The adjudicating authority has erred in dropping the demand without recording any findings. The only finding given is at Para 7 of the impugned order to the effect that the respondent has earned income against job work charges for the intermediate production process in relation to textile processing provided to garment manufacturers.
- ii. On the basis of the above, the adjudicating authority has concluded that the services provided by the respondent are exempted as per Serial No. 30 (ii) (a) of Notification No.25/2012-ST dated 20.06.2012.
- iii. The adjudicating authority has not recorded any finding as to how the work undertaken by the respondent is covered under textile processing.
- iv. The documents submitted by the respondent have not been examined by the adjudicating authority and no finding has been given as to how the respondent is eligible for exemption under the said Notification.

4. Personal Hearing in the case was held on 09.12.2022. Shri Viral Modi, Chartered Accountant, and Shri Girish Makwana, Accountant, appeared on behalf of the respondent for the hearing. They reiterated the submissions made in cross-objection dated 28.11.2022 filed w.r.t. the departmental appeal.

5. In the written submission dated on 28.11.2022, the respondent has contended, inter alia, that :

- They were doing the job work of washing of denim fabrics and garments. They received denim fabrics/garments from textile processors for washing and after washing the fabrics, they send it back to the textile processor. They raised bill in respect of the washing job work charges, which was shown in their Income Tax returns.
- They are of the understanding that in the pre-GST regime, job work of textile processing is exempted in terms of Sr.No. 30 (a) of Notification No. 25/2012-ST dated 20.06.2012.
- Washing of denim fabric is nothing but an intermediate production process and an integral part for textile processing of denim fabrics, which

is exempted from payment of service tax. They are not required to obtain service tax registration.

- As per Section 66D (f) of the Finance Act, 1994 any process amounting to manufacture or production of goods falls under the Negative List.
- To substantiate their job work process, they submit a few sample invoices and job orders received by them. They also submit copies of their ITR for F.Y. 2014-15, which explicitly mentions their income as job work income.
- Their principals have also deducted TDS on the job charges, copy of Form 16A is submitted.

6. I have gone through the facts of the case, submissions made in the Appeal Memorandum, the written submissions filed by the respondent and the material available on records. The issue before me for decision is whether the impugned order passed by the adjudicating authority, dropping the demand of service tax amounting to Rs.8,48,755/-, in the facts and circumstances of the case, is legal and proper. The demand pertains to F.Y. 2014-15.

7. I find that the respondent was issued SCN on the basis of the data received from the Income Tax Department and the respondent was called upon to submit documents/details in respect of the service income earned by them, however, the respondent failed to submit the same. Therefore, the respondent was issued SCN demanding service tax by considering the income earned by them as income earned from providing taxable services. However, no cogent reason or justification is forthcoming for raising the demand against the respondent. It is also not specified as to under which category of service, the non payment of service tax is alleged against the respondent. The demand of service tax has been raised merely on the basis of the data received from the Income Tax, which indicated that the respondent had reported income from sale of services in their ITR. However, the data received from the Income Tax department cannot form the sole ground for raising of demand of service tax.

7.1. I find in pertinent to refer to Instruction dated 26.10.2021 issued by the CBIC, wherein it was directed that :

“It was further reiterated that demand notices may not be issued indiscriminately based on the difference between the ITR-TDS taxable value and the taxable value in Service Tax Returns.

3. It is once again reiterated that instructions of the Board to issue show cause notices based on the difference in ITR-TDS data and service tax returns only after proper verification of facts, may be followed diligently. Pr. Chief Commissioner/Chief Commissioner(s) may devise a suitable mechanism to monitor and prevent issue of indiscriminate show cause notices. Needless to mention that in all such cases where the notices have already been issued, adjudicating authorities are expected to pass a judicious order after proper appreciation of facts and submission of the noticee.”

7.2 However, in the instant case, I find that no such exercise, as instructed by the Board has been undertaken, and the SCN has been issued only on the basis of the data received from the Income Tax department. Therefore, on this very ground the demand raised vide the impugned SCN is liable to be dropped.

8. Coming to the merits of the case, I find that the adjudicating authority has recorded his finding that the respondent has provided service regarding intermediate production process as job work in relation to textile processing and the same is exempted in terms of Serial No.30 (ii)(a) of Notification No.25/2012-ST dated 20.06.2012, the text of which is reproduced below :

“(ii) any intermediate production process as job work not amounting to manufacture or production in relation to-
(a) Agriculture, printing or textile processing:”

8.1 It is observed that garments are classifiable under Chapter 61 and 62 of the First Schedule to the Central Excise Tariff Act, 1985. These Chapters are falling under Section XI of the Central Excise Tariff Act, 1985, which is in respect of ‘Textiles and Textile Articles’. Therefore, the washing of Denim garments undertaken by the respondent amounts to textile processing and, consequently, the same is exempted in terms of Serial No.30 (ii) (a) of Notification No.25/2012-ST dated 20.06.2012.

9. It has been contended by the appellant department that the adjudicating authority has not examined the documents submitted by the respondent and not given any findings on the same. In this regard, it is observed that the adjudicating authority has recorded at Para 11 of the impugned order that the he has gone through the documents submitted by the respondent i.e. Balance Sheet, P&L Account, sample invoices and job work challans. Thereafter, the adjudicating authority has concluded that the activities carried out by the respondent are covered by the said Notification and, accordingly, held that same is not taxable. The appellant department has not come forward with any

document or evidence indicating that the conclusions arrived at by the adjudicating authority, after verification of the documents submitted by the respondent, are erroneous. Consequently, I am of the considered view that the appeal filed by the appellant department is devoid of merits.

10. In view of the facts discussed hereinabove, I uphold the impugned order and reject the appeal filed by the appellant department.

11. अपीलकर्ता द्वारा दर्ज की गई अपील का निपटारा उपरोक्त तरीके से किया जाता है।

The appeal filed by the appellant stands disposed of in above terms.
